Lutheran Counseling Center exists to help you and those you care about. Sometimes the burdens of life become so overwhelming that even the strongest Christian reaches what appears to be a dead end - no hope! We at LCC believe that quality Christian care ought to be available for everyone. Furthermore, we are convinced that through LCC, this care is directed by God to you, your church and others in our community.

However our organization cannot go it alone.

WE NEED YOUR HELP!

Your prayers and encouragement help us continue to offer this care to all who ask. This piece of paper represents one such opportunity for you to use your gifts to help others. Your gift of \$10, \$20, or \$30 will help bring relief to someone who may not have the necessary resources. Every \$50 gift makes one counseling session available to someone who otherwise would not receive help.

Since LCC is a 501 (c) (3) non-profit corp, every gift is tax deductible.
