

***"The person who loves brother and sister dwells in God's light and doesn't block the light from others." 1 John 2:10***

Faith is the foundation of a truly satisfying, truly meaningful life. But not all persons enjoy such a life. Some are hurting. Some are lonely and feel they have nowhere to turn. Some feel as if they are still in the dark!

*"Nobody knows the trouble I've seen - nobody but Jesus."*

Over the past couple of decades, the counselors of Lutheran Counseling Center of Minnesota South have helped thousands of aching hearts find peace in the Lord Jesus Christ.

This is an opportunity for you to help us help others. Let your light so shine, that others will see Jesus, the Light!

Your gift of \$10, \$20, or \$30 will help bring relief to someone who may not have the necessary resources. Every \$50 gift makes one counseling session available to someone who otherwise would not receive help. And since LCC is a 501 (c) (3) non-profit corp, every gift is tax deductible.

Please call today if:

- You need help
- You would like to offer help
- Please send more information about LCC
